ACCREDITATION PRINCIPLES:

Applicants are requested to conform to the principles to ensure that media accreditation is restricted to professional journalist and photographers. PFR considers the "Media" pass to be a working tool to be used only by bona fide members of the press.

Publications, web journals, TV and radio media may apply. Organizers reserve right to limit (or refuse) applications from public relation agencies or similar companies and organizations, press officers of sponsors, suppliers, teams and drivers. Freelance journalist must apply for credentials via their own agencies. The onus is on the freelance applicant to prove the supply and publishing of regular stories to at least 3 publications. Photo agencies must be able to prove that the pictures have been regularly published in up to 3 media mediums that primarily focus on motorsports.
